2022 AG WORKFORCE DEVELOPMENT TRAINING/CERTIFICATION SCHEDULE Eastern West Virginia Community and Technical College

For the most current schedule, visit our website, www.easternwv.edu/worforce-education/ag-workforce-trainings-certifications. Location of training is indicated as either online or in person. Contact Megan Webb, Dean of Community Engagement & Partnerships, for more information about these trainings and certification megan.webb@easternwv.edu or (304) 434-8000 ext. 9231. To enroll in the below trainings please contact Trish Halterman, the Ag Workforce Student Training Coordinator at aginnovation@easternwv.edu or call (304) 434-8000 ext. 9609.

Each training is available for enrollment, even if not completing a certification interest track. There are different interest track options including trainings and individual certifications highlighted within beginning with: track 1 (brown); track 2 (aqua); track 3 (green) and track 4 (yellow). Interest track completion is not required, but is available through Eastern's Workforce Education Department.

Students interested in completing an interest track and are willing to be a part of a 40-hour fellowship program should email the Ag Workforce Student Training Coordinator (aginnovation@easternwv.edu) to complete a Farm Fellow Application to see if you qualify for a discounted rate and a paid fellowship (stipend of \$700 to be received at the completion of the fellowship and submission of all required materials). The Farm Fellow application is due November 4, 2022. Qualifying Farm Fellows must complete program credentials including a 40 hour assigned fellowship within the academic year. In 2023, a maximum of fifteen fellows will be selected for the opportunity. Selected students will be notified by December 5, 2022 to begin their one-year term starting January 1, 2023.
