

Agriculture Farm Fellowship

Now accepting applications until November 4, 2022!
Limited to 15 Fellows Per Year

As part of the Ag Workforce Trainings, this Fellowship offers an in depth intensive training experience that combines classroom training with hands-on practical experience and mentoring through on farm apprenticeships and 'learn to earn' opportunities in up to four certificate interest tracks.

Fellows must complete a Farm Business Management Certificate, conduct an assigned 40-hour agribusiness internship, and at least one of the three additional interest tracks including: Agribusiness Diversification & Value Adding Certificate, Livestock Management Systems Certificate, or Horticulture Management Systems Certificate.

Fellows will be provided agribusiness coaching support and mentorship. Successful fellows completing these requirements within the annual year will earn \$700 and respective certifications. Accepted fellows will be notified by December 5 to confirm their 1 year program (1/1/2023 – 12/31/2023).
