An applicant is not required to take these courses prior to admission but the admission score will be higher if an applicant successfully completed any of the courses with an “A” or “B” as stated above. **Grades for repeated courses will not be considered for points or if there was a previous withdrawal from the course.** Only the original (first) grade is considered for points. Grades of C, D, F, or W are not awarded points. All applicants **MUST** have an overall GPA of 2.5 in all college courses in order to qualify. 4. I understand that if I have had classes at colleges or universities other than Eastern, I must submit an **official** transcript to Eastern's Admission Office prior to the **Tuesday, February 1, 2022 at 4:30 p.m. deadline.** ACT scores, if applicable, **MUST** be attached to this application. I understand I must have an overall **GPA of 2.5 or higher** in all college courses in order to qualify for admission. If the college GPA is not considered, the high school GPA must be 2.5 or above.

I must take a PPD each year. Other mandated vaccines include but are not limited to Hepatitis B (3), MMR (2), Varicella (2), Tdap (1). A titer to prove immunity must be obtained for Hepatitis B. The local health departments may administer the vaccines and may be able to obtain the titer. The cost of the vaccines and titers are my responsibility.

9. I understand I must be able to physically, emotionally and maturely provide nursing care to clients. The Core Performance Standards are used to assist each student in determining whether accommodations or modifications are required. The standards provide an objective measure upon which a student and the nursing program director base informed decisions regarding whether the student is “qualified” to meet requirements. If an applicant believes that he or she cannot meet one or more of the standards without accommodations or modifications, the institution will determine whether or not the necessary accommodations or modifications can be made reasonably, on an individual basis.

Any requirement an instructor demonstrates as essential to any directly related licensing requirements or to a program of instruction pursued by a student with a disability cannot be altered. For more information, please contact the Student Services Specialist at 304-434-8000.

19. I am aware that during any clinical rotation I may be assigned to day, evening, night and/or weekend shifts.

20. I fully understand that any cheating, misrepresentation, dishonesty, deceit, falsification or omission of information WILL result in immediate dismissal from the Nursing Program.
