

Your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. This process will verify that you provided correct information on your FAFSA. If there are differences, your FAFSA information may need to be corrected. You and one parent whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to our office. Complete and submit this form to the financial aid office as soon as possible otherwise your FAFSA application cannot be processed.
