Ag Innovation Trainings

2021-2022 AG WORKFORCE DEVELOPMENT TRAINING/CERTIFICATION SCHEDULE Eastern West Virginia Community and Technical College

For the most current schedule, visit our website www.easternwv.edu/agriculture. Location of training is indicated as either online or in person. Contact John Riggs, Director of Agriculture Innovation, for more information on these trainings and certifications at john.riggs@easternwv.edu or (304) 434-8000 ext. 9608. To enroll in the below trainings please contact the Ag Workforce Student Training Coordinator, patricia.halterman@easternwv.edu or call (304) 851-6454.

Each training is available for enrollment, even if not completing optional certifications or certification interest tracks. There are different interest track options including trainings and individual certifications highlighted within being track 1 (brown); track 2 (aqua); track 3 (green) and track 4 (yellow). Interest track completion is not required, but is available through Eastern's Workforce Education Department.

Students interested in completing an interest track and are willing to be a part of a 40-hour fellowship program should email the Ag Workforce Student Training Coordinator (patricia.halterman@easternwv.edu) to complete a Farm Fellow Application to see if you qualify for a discounted rate and a paid fellowship (stipend of \$800 to be received at the completion of the fellowship review). The Farm Fellow application is due October 15, 2021. Qualifying Farm Fellows must complete program credentials including a paid fellowship within the academic year. Each year only twelve fellows will be selected for the opportunity. Selected students will be notified by December 15, 2021 to begin their one-year term starting January 1, 2022.
