

AGRICULTURE FARM FELLOWSHIP

Accepting applications until Nov. 4, 2022

Limited to 15 Fellows per year

The Farm Fellowship offers an in-depth intensive training experience that combines classroom training with hands-on practical experience and mentoring through on-farm apprenticeships and 'learn to earn' opportunities in four interest tracks.

This unique experience offered as part of Eastern's Agriculture Workforce Trainings provides agribusiness coaching support and mentorship throughout the one-year program.

Fellows must complete a **Farm Business Management Certificate**, conduct an assigned **40-hour agribusiness internship**, and complete at least one of three additional interest tracks including: **Agribusiness Diversification and Value Adding, Livestock Management Systems, or Horticulture Management Systems.**

Successful Fellows completing these requirements within the annual year will earn \$700 and respective certifications. Accepted Fellows will be notified by Dec. 5 to confirm their one-year program (1/1/2023 - 12/31/2023). Fellows are paired with a mentor based on interests designated in application.
