

FERTIGATION AND NUTRIENT MANAGEMENT

Tuesday, May 16

10 a.m. – 4 p.m. | **Wardensville Garden Market**, Wardensville

Eastern Fee \$15

Fertigation and Nutrition Management is a program offered as part of the Horticulture Management Systems Certification micro credential by Eastern West Virginia Community and Technical College Agricultural Innovation. Upon completion of this program, participants will obtain **6 contact hours**. This program is instructed by **Lewis Jett** from **WVU Extension**.

*For **Ag Plant and Private Applicator Categories**, certification contact hours gained from this training can be utilized for pesticide **recertification credits**. Each 30 minutes of contact awards 1 recertification credit for commercial applicators, which require 20 recertification credits or 10 hours of contact over a 3-year period, while private applicators need 10 recertification credits or 5 hours over a 3-year period.*
