**Fertigation and Nutrition Management** is a two day course offered as part of the Horticulture Management Systems Certification Track by Eastern West Virginia Community and Technical College Agricultural Innovation Trainings and Certifications. Upon completion of this program, participants will obtain **6 contact hours**.

This program is instructed by **Lewis Jett** from **WVU Extension**.

*For **Ag Plant and Private Applicator Categories**, certification contact hours gained from this training can be utilized for pesticide recertification credits. Each 30 minutes of contact awards 1 recertification credit for commercial applicators, which require 20 recertification credits or 10 hours of contact over a 3-year period, while private applicators need 10 recertification credits or 5 hours over a 3-year period..*
