**SECTION 2.           GENERAL IMMUNIZATION REQUIREMENTS**

The Board of Governors requires the following immunizations as a condition of admission:

- 2.1 All full-time, regular degree seeking students through age 24 are **required** to produce documentation of measles, mumps and rubella immunization (MMR).
- 2.2 All other students are **not required** to produce documentation of measles, mumps and rubella immunization (MMR). It is recommended, however, that students in this category check with their family physician or local health department to insure that all appropriate immunizations are current.
- 2.3 In the event of an outbreak of any vaccine preventable illness, **all new students**, regardless of age or number of credits enrolled, will be required to produce appropriate immunization records.

**SECTION 3. SPECIFIC ACADEMIC PROGRAM REQUIREMENTS**

3.1 Students accepted into specific programs of study, for example health related programs, may be required to produce the appropriate immunization records as related to professional standards for training and working in the field.
