

Did you know....?

Discover your potential at Eastern

Did you know that you can start your college education at Eastern and save thousands of dollars?

Eastern's credits transfer to universities like Shepherd, WVU and Potomac State College.

You can also train for careers like nursing, wind energy technician or biology and environmental technician. In two years you can have the skills you need to be working right here in West Virginia.

Our instructors are experts in their fields. Our flexible scheduling will work with your busy life. Full-time, part-time, evening and online classes make it easy for you to achieve your goals.

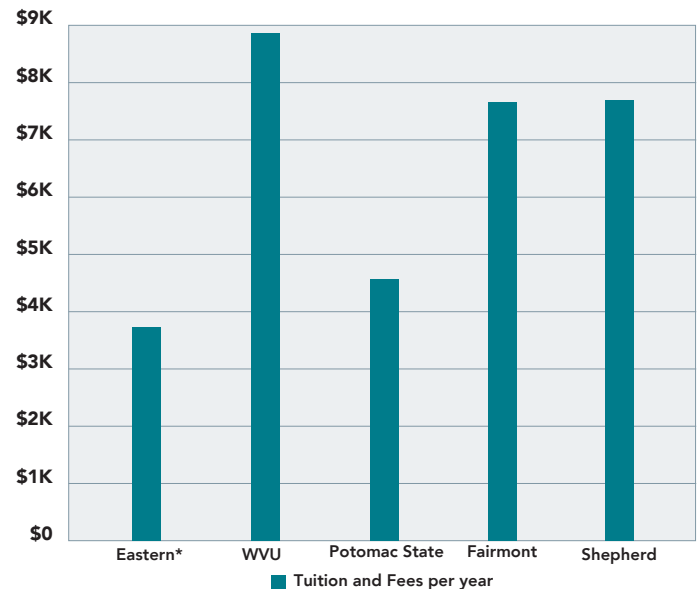

The best news of all – Affordable tuition.

You may qualify for state and federal grants and financial aid that doesn't need to be paid back.

At just \$157 per credit hour you won't find a better education.

Plus, there are state and federal financial programs that you could be eligible for.

Why spend more than you have to?

Eastern offers 11 academic degree programs and several certificate programs.

Degree programs include:

Accounting	Allied Healthcare
Business	Technical Studies
Early Childhood	Associate in Arts
Information Technology	Associate in Science
Wind Energy	

We also have a transfer agreement program with Shepherd University for Elementary Education.

You can start at Eastern with a guaranteed transfer agreement with:

West Virginia University	Strayer University
Potomac State College	The Art Institute of Pittsburgh
Franklin University	American Public University
Shepherd University	Davis & Elkins College
Marshall University	Southern New Hampshire University
Aspen University	West Virginia State University

Eastern is an open enrollment institution that adheres to the Equal Opportunity Policy through Titles IV, VI & VII of the Civil Rights Act of 1964, Title IX of Educational Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. We do not discriminate against applicants, employees or students on the basis of race, color, religion, sex orientation, disability, age or national origin in our employment policies and/or educational programs or activities, including admission to such.

Eastern WV Community & Technical College is accredited by The Higher Learning Commission of the North Central Association of Schools and Colleges.

WEST VIRGINIA IS INVESTING IN YOU WITH FREE COLLEGE TUITION!

The WV Invests grant allows students to take immediate advantage of the state's offer to cover the cost of tuition of certain programs at Eastern West Virginia Community and Technical College (Eastern).

WHAT IS IT?

WV Invests is a state-funded financial aid program for students who wish to complete programs in high demand fields at participating public community or technical colleges and universities.

HOW IT WORKS

Regardless of whether a student has just completed high school or is interested in a career change, WV Invests can help get the credentials they need to enter into a rewarding career while saving a significant amount of money.

Students apply to Eastern and state their interest in completing an eligible program.

After filling out a Free Application for Federal Student Aid <https://studentaid.ed.gov/sa/fafsa> and applying for available federal and state financial aid, students can take advantage of the WV Invests grant program to cover the remaining balance of the cost of their tuition each term.

Students must first seek out scholarships and grants to pay for school. WV Invests will pay the tuition balance not covered by any grants awarded. The grant does not cover the cost of books, living expenses, fees or food. Applicants must be a West Virginia resident for at least a year prior to applying and must commit to living in West Virginia for at least two years after graduation. The student must have earned a high school diploma or equivalent. Students must not have completed a degree program or have 90 attempted credit hours from previous college coursework. The student will need to complete two hours of community service each semester, enroll in at least 6 credit hours per term, maintain a 2.0 GPA and agree to a drug test prior to each academic term.

Eastern West Virginia Community and Technical College is an EOE, ADA, AA institution.
