

FRIDAY, OCT. 14 | 9 A.M. - 2 P.M.

AN YOUTH AG AN INNOVATION O SHOWCASE AND N CHALLENGE

Eastern Main Campus | 316 Eastern Drive, Moorefield

Eastern West Virginia Community and Technical College invites WV educators and students to join us for the eighth annual Ag Innovation Showcase and Potomac Highlands Agriculture Technology and Innovation Student Challenge!

Ag Innovation Showcase

The showcase gives middle and high school students the chance to network with specialists in the field and share their creative ideas related to solving challenges in agriculture. Students are able to attend educational sessions presented by representatives from various organizations, including WVU Extension, the Farm Credit Knowledge Center, and other state, local, public, and private ag organizations and businesses.

How can you and your students participate?

This is a free event! Lunch will be provided by MeadowBrook Farm BBQ to students and teachers.

RSVP by **Sept. 7** via email to **Carissa.Bead@easternwv.edu**. Please include the names of all students who will be participating in your email. Up to 20 students per county permitted.

Potomac Highlands Agriculture Technology & Innovation Student Challenge

The Challenge is a competition for students to develop solutions for issues faced in agriculture using innovation in the form of technology, problem-solving, and new application. Student teams will prepare a three minute presentation or demonstration to discuss their concept. The presentation will be followed by a three minute Q&A session.

Teams of up to four students can register to complete in either the middle or high school section. Only one team is permitted per school.
