

WEST VIRGINIA IS INVESTING IN YOU WITH FREE COLLEGE TUITION!

The WV Invests grant allows students to take immediate advantage of the state's offer to cover the cost of tuition and program fees of certain programs at Eastern West Virginia Community and Technical College.

WHAT IS IT?

WV Invests is a state-funded financial aid program for students who wish to complete programs in high demand fields at participating public community or technical colleges.

HOW IT WORKS

Students apply to Eastern and indicate interest in completing an eligible program. After filling out a Free Application for Federal Student Aid (FAFSA) at fafsa.gov and applying for eligible federal and state financial aid, students can take advantage of the WV Invests grant program to cover the remaining balance of the cost of their tuition each term.
